The 2003-2007 State Aging Services Plan

Date:

March 4, 2003

Enclosed is the 2003-2007 State Aging Services Plan which our Division has submitted to the NC General Assembly, as required by North Carolina General Statute 143B-181.1A. The new plan underscores the aging of our people and our State's record of achievement in serving the needs of older persons and their families. It also discusses some important issues and suggests future priorities. The plan is also available at the Division's website (http://www.dhhs.state.nc.us/aging/home.htm).

If you have any questions about the 2003-2007 Aging Services Plan, please contact Dennis Streets or Yoko Crume at (919) 733-8400 or (919) 733-3983.

I appreciate the generous contributions and support you and your staff provided for the completion of this plan.

Sincerely,

Karen Gottovi
